

ECOMON

Boris Cheung, Finlay Fordham, Jacob Mcallister, Lorenzo Meixieira, Adam O'Neill, Angelo Thind, Callum Ward

Specific Requests from Interviewees

I want it to be competitive, so I can rival friends not just an AI

I want a diverse selection of cards so I can pack loads. Maybe even some rarer ones

I want multiple areas around campus. I have lectures in many different places, so I want to play anywhere

I want teams, I like battling with some people and seeing my team be the best!
